Driving Directions to Wildwood Retreat Center

20111 Old Cazadero Road, Guerneville, California Phone 707-632-5200

From San Francisco Airport (SFO):

Take Hwy 380 to Hwy 280 North. Stay to the left to exit Hwy 280 onto Route 1 north.

(Route 1 begins there as Junipero Serra, quickly turns to 19th Street for several miles, then Park Presidio as it goes through Golden Gate Park.)

After you go through the Gen. Douglas MacArthur tunnel, you will approach the Golden Gate Bridge. (You will not have to pay a toll going north.) As you cross the bridge you are on Hwy 101.

Continue on Highway 101 North past San Rafael, Novato, Petaluma, and Santa Rosa. Just north of Santa Rosa, take the River Road exit. [Do not take the Guerneville Road exit in Santa Rosa.] Turn left [west] on River Road and proceed 14 miles to the town of Guerneville.

Once in Guerneville, go through town and continue 1/2 mile past the Safeway store and turn right on Old Cazadero Road. Look at your odometer at this point, for you will be going 5.5 miles on Old Cazadero Road to our gate. The road from Guerneville is steep, curvy and single lane in places. The retreat center is at the top of the hill at the end of the road.

After the first mile or so, you will cross a bridge and come to a stop sign, where you will see a house directly in front of you. Turn right, and immediately take the left fork to stay on "Old Caz." Ignore right hand turns for Fern Way and Arroyo.

After another 1/2 mile the road makes a sharp turn to the right, crosses a bridge, and begins to climb. Be careful not to continue straight at this point, or you will end up in a private driveway.

Please respect our neighbors' driveways and signs, and stay on the paved road for another 4 miles to our gate. Ignore any signs that say "locked gate ahead" or "road ends." We are at the very end of the road. Our street address is 20111 Old Cazadero Road. *[Please note that this is NOT our mailing address which is: P.O. Box 78, Guerneville, CA 95446]*
