

# New Coaching Clients & Guarantee

*How many clients do you want in the next six months?  
We guarantee that you will reach your goal by taking the  
Co-Active Entrepreneur Program or your money back.*

**Co-Active Entrepreneur Program Guarantee:** You will design with your course leaders the number of clients you will have at the end of the Co-Active Entrepreneur Series, and guarantee that if you do the course work, you will attain your goal – or we will refund the money you paid for the course series.

Specifically, here is what we need from you.

1. Complete attendance and active participation in all Webinars.
2. Complete attendance and active participation in all Accountability Pod calls (may miss one only).
3. For the Sales Program: 60% of business building time must be spent in Productive Time – “P Time” – (voice-to-voice or face-to-face).
4. Invest a minimum of 5-8 hours each week during the Accountability Pod part of the program. Please be aware that building your practice will involve a minimum of 5-8 hours a week. Be prepared to invest this amount of time to create your successful career in coaching.

We are confident that you will be successful. If, after fully participating in this program as described above, this turns out to not be true for you, we will promptly return your program fee. Thank you for taking this step with us towards your thriving coaching business!
