REFUND POLICIES

For all Certification Program participants, except Colorado and Minnesota Residents:

General Information Regarding Cancellations, Withdrawals, and Refunds: If you choose to cancel your enrollment before the beginning of the program, you will receive a full refund minus a \$75 non-refundable registration fee. If you cancel after the start of your program, a refund will be pro-rated for the unused portion of the program. If you withdraw from the program, after the 5th business day of the start of the course, you will receive a pro-rated refund – minus the \$75 non-refundable registration fee – based on the time completed in the course. The refund is calculated from the postmarked date of the written notice. For example, if a student's cancellation is received after completing 100 program hours and paid \$4,200, the refund would be calculated as follows: \$4,200 (Program Tuition) - \$75 (non-refundable Registration Fee) = \$4,125 (Program Fee less Registration Fee). \$4,125 divided by 177 (Total Program hours) = \$23.31 (Amount per Program hour) x 77 (Program hours not attended) = \$1,794.49 Student Refund Amount

Transfer Fees: Students may transfer from one course start date to another two times without penalty, provided the request is made 60 days before the course start date. Subsequent transfers, as well as any transfer made within 60 days of the course start date, will be assessed a **\$175 fee**.

Notice of Cancellation/Withdrawal and Refunds: Written notice of cancellation shall take place on the date the letter of cancellation/withdrawal is postmarked, or if hand-delivered, the date delivered to the school. Refunds will be made within 30 days following the receipt of written requests.

For California and Colorado Residents Only:

The Coaches Training Institute is licensed with the Bureau for Private Postsecondary and Vocational Education, State of California, and the Colorado Department of Higher Education, Private Occupational School Board. Licensing means we have met certain minimum standards imposed by the state for licensed schools on the basis of our written application to the state. You will receive an enrollment agreement that details the full refund and program policies for your state.

For Minnesota Residents Only (Minnesota Student Buyer's Right to Cancel):

General Information Regarding Cancellations/Withdrawals, and Refunds: Each student will be notified of acceptance/rejection in writing. In the event a student is rejected, all tuition, fees and other charges shall be refunded. Notwithstanding anything to the contrary, if a student gives written notice of cancellation within five business days of the execution of the contract (for schools using written contracts) or day on which the student is accepted (for schools not using written contracts), then a complete refund is given regardless of whether the program has started. If a student gives written notice of cancellation after five business days of the execution of the contract (for schools using written contracts) or day on which the student is accepted (for schools not using written contracts), but before the first lesson has been serviced by the school, then all tuition, fees and other charges, except 15 percent of the total cost of the program (15 percent not to exceed \$50.00) shall be refunded to the student. If a student gives written notice of cancellation after the first lesson is completed, but before completion of 75 percent of the period of instruction, then the student is assessed a pro rata portion of tuition, fees and all other charges based on the number of days in the term plus 25 percent of the total program cost (25 percent not to exceed \$75.00). Any notice of cancellation shall be acknowledged in writing within 10 business days of receipt of such notice and all refunds shall be forwarded to the student within 30 business days of receipt of such notice. This refund policy is not linked to any student conduct policy and any promissory instrument shall not be negotiated prior to the completion of 50 percent of the course.

Notice of Cancellation/Withdrawal and Refunds: Written notice of cancellation shall take place on the date the letter of cancellation is postmarked or, in the case where the notice is hand carried, it shall occur on the date the notice is delivered to the school. The date of execution of the enrollment agreement shall be presumed to be the date of delivery of the notice of acceptance; and if delivered by mail, the postmark date of the letter of acceptance.

Transfer Fees: Students may transfer from one course start date to another two times without penalty, provided the request is made 60 days before the course start date. Subsequent transfers, as well as any transfer made within 60 days of the course start date, will be assessed a \$175 fee.
