

## CO-ACTIVE GOES MOBILE!

## INTRODUCING CO-ACTIVE THINKPAL™

### Question List

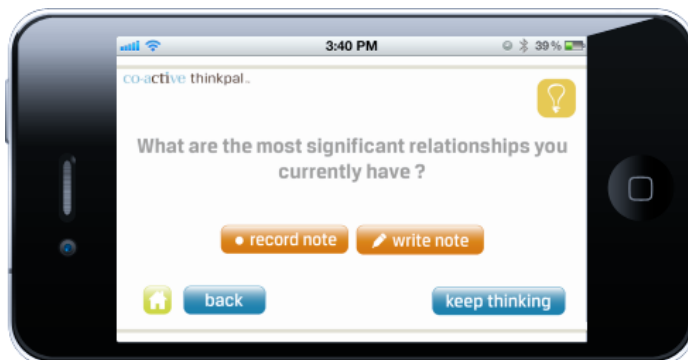

Review the question set and select which one suits you best right now.

### Download More: Questions, Wheels, Audios

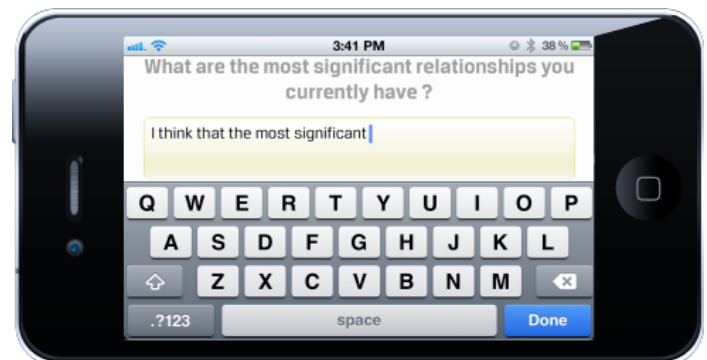

Select 'Download More Questions' to purchase further sets quickly and easily.

### Swipe Through Questions

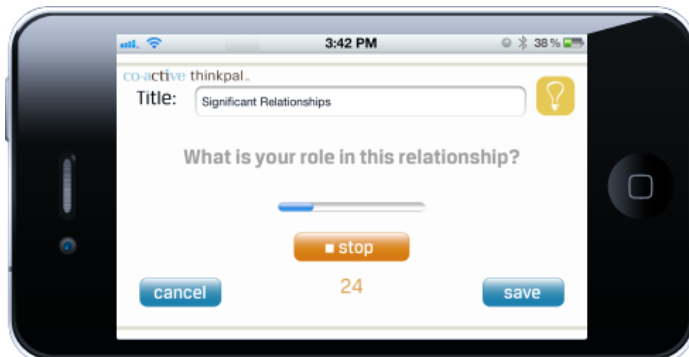

When you find a question that resonates, create a note to self. Or just keep thinking!

### Write Note To Self

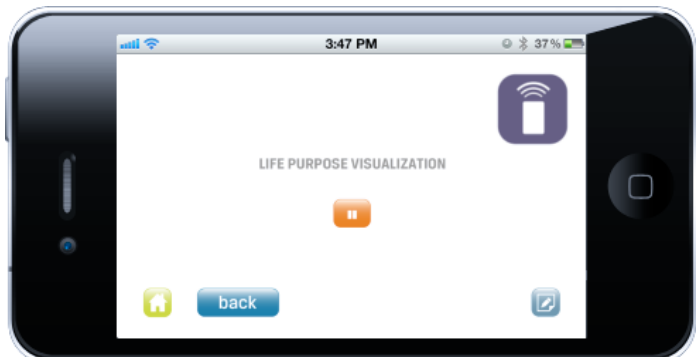

Keep your thoughts, revelations and ideas. Email them to your coach or anyone else.

## Record Note To Self

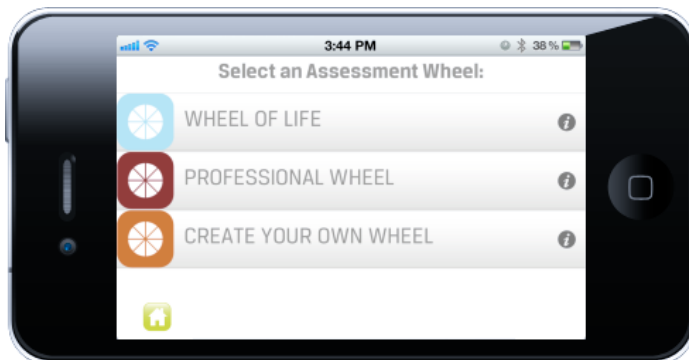

You maybe choose to record a note to yourself instead. (You can still email it out!)

## Audio Listen

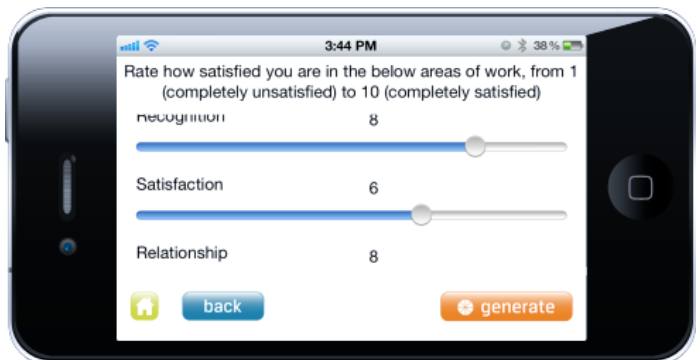

By hitting 'Play' you can be coached in the comfort of your home or office, or easily on the go.

## Wheel Dial

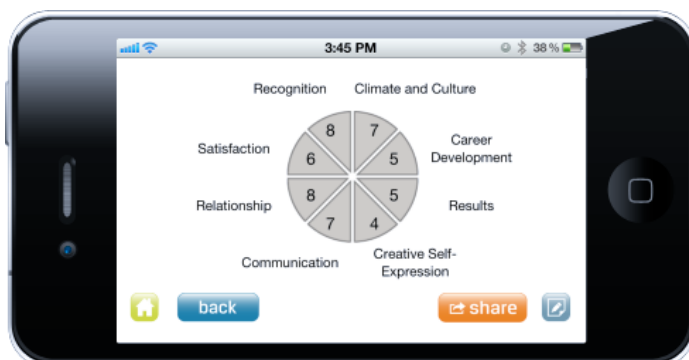

Rate each category on a scale of 1-10. Press generate to see your completed wheel.

## Saved Wheel

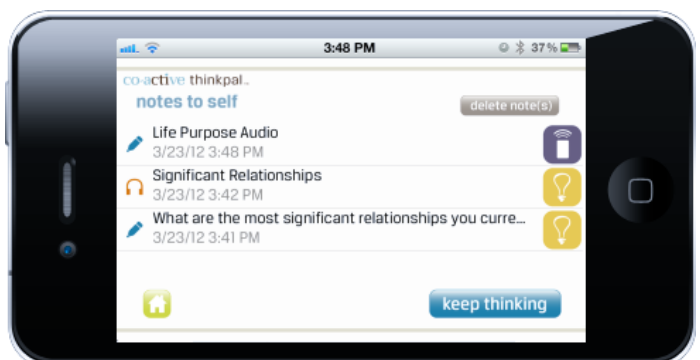

The generated wheel will be saved in your photos, ready to be emailed out.

## Blank Wheel

Have your own ideas for a wheel? Create your own categories and generate a new image.

## Recall Notes To Self

View saved notes and recordings to recall your inspiration.
