Work Experience

Certified Professional Co-Active Coach, Self-Employed

September 2011 – Present, New York, NY

After completing CTI's core curriculum (Jan '11) and certification program (Sep '11), I started a coaching business working with individual clients in all aspects of personal growth from creative expression to relationship to work-related issues.

Certified Bikram Yoga Teacher, Self-Employed

November 2006 – Present, New York, NY

A regular Bikram yoga practitioner since July '02, I attended the 9 week Bikram Teacher Training in Los Angeles in Fall '06 and began teaching 90 minute hot Bikram yoga at studios in New York City in Nov '06. I currently teach 5 classes a week at Bikram Yoga Brooklyn.

Senior Programmer Analyst, RBC Capital Markets

February 2001 – July 2006, Minneapolis, MN & New York, NY

I was part of a team which designed and developed a web-based content management system (CMS) for RBCCM's broker analysts in North America to publish their research online for global clients. I liaised with internal clients to ensure that their requirements were met.

Senior Programmer Analyst, TKI Consulting

April 1995 – February 2001, Minneapolis, MN

I was a team lead and senior analyst working on automated systems development at clients including: Harmon Glass, Cargill, Express Scripts, and North Dakota Bureau of Criminal Investigation. I trained and coached team members in advanced Progress 4GL programming.

Senior Programmer Analyst, CCS Corporation

July 1993 – April 1995, Minneapolis, MN

As a consultant I worked as senior analyst programmer on the Electronic Billing module for a new automated system written in Progress 4GL at In Home Health, Inc.

Senior Consultant, Andersen Consulting

April 1990 – May 1993, Johannesburg, South Africa

I was part of a team which designed and developed a financial services Portfolio Management System written in Progress 4GL for financial services companies around the country. Chief responsibilities included designing the online bond pricing module and options pricing module.
