EXPERIENCE:

The Coaches Training Institute, San Rafael, CA 2007 - present

Faculty member responsible for delivering core curriculum instruction in over 27 countries and 22 cities in the US. CTI is one of the first and largest coach training institutes in the world and the course content is both complex and comprehensive.

Connected Advantage Coaching 2003 - present

Built a practice specializing in coaching young business men women, executives, and sales professionals towards better life-work balance, better bottom-line results, and an expanded sense of their personal strengths and development. Coached at organizations including Google, Saatchi and Saatchi, Ogilvy and Mather, Medtronic, and Microsoft.

Flashforward Conference and Film Festival 2008

Directed the Flashforward2008 Conference a 3-day conference with over 800 attendees. Hired and managed a team of 8, responsible for the operating budget of \$750,000, creation of the vision, and tracking and implementation of all tasks and details necessary to realize that vision and conduct the large scale event.

Metaliq, Inc., San Francisco, CA 2006 - 2008

Inhabited multiple roles and responsibilities including Internal Coach and Leadership Development Coordinator responsible for coaching the owner, president, and director of operations and for creating offsite retreats for the entire staff of 40. Also served as Conference Director for the Flashforward2008 Conference, a 3-day conference with over 800 attendees. Created and managed a team of 8, responsible for the budget and implementation of the vision.

Pension-Online, Inc. San Francisco, CA 2002-2005

Lead developer and product manager for financial service online software provider. Collaborated with actuaries, users, developers, and management to create robust, intuitive, and financially complex application to assist government offices to do GASB45 data collection and scenario calculations.

Goodyear Tire and Rubber Company, Akron, OH 1999 - 2001

Led a small team to complete several projects including Goodyear's first database driven corporate Intranet site for the Legal Department and a lightweight Java based customer-service chat application. Assisted in a series of SAP installations and training sessions including several in Mexico City functioning as a translator.

ADDITIONAL EXPERIENCE:

The Katrina Call 2005-2009

Established a group of professional coaches to volunteer to support community leaders in and around New Orleans as that community was rebuilding after hurricane Katrina. Worked with the New Orleans Healing Center – a group who built a large community center in one of the most devastated neighborhoods. Facilitated a retreat and a number of meetings.

Ogilvy & Mather, New York 2006

Designed and led a leadership program for the development of Account Executives.

In-Business English Institute, Santiago, Chile 1998 - 1999

Instructed Chilean and Argentinean business leaders in conversational English. Worked with top executives from South American subsidiaries of companies including IBM, Hewlett-Packard, Phillips Magnavox, and Unilever along with local banks and a mobile service provider.

World Travel 1998- 2004

Traveled to over 20 countries including extensive travel in India, Chile, Israel, and China as well as in Europe, Egypt, Asia, and Central and South America. Lived and worked in Mexico City and Santiago, Chile. Took classes in Buddhism and philosophy from Tibetan monks in northern India and taught English to Tibetan refugees. Fluent in Spanish.
