

# Client Questionnaire

As your coach, it's important for me to get a sense of how you view the world, and yourself in the world. Each person has his/her own unique way of perceiving the world, and has a unique way of interacting with others.

The following questions are designed to help me get to know you better. They are designed to be pondered and to stimulate your thinking in a way that will make our work together productive and rich. I suggest you chew on the questions for a few days before you compose your responses.

1. Look forward 20 years...you are attending a function where someone is giving a speech about YOU! What would you want them to say?
