- ✓ Implemented "Best in Class" culture within commercial & Lead team of trainers

Organisational Development Manager – DHL Int'l, Saudi Arabia

Sept 2003 - June 2004

- ✓ Designed & Implemented Organisational Development Strategy
- ✓ Designed Job Competency & Development matrix
- ✓ Aligned HR policies to today's business needs
- Developed Managerial Talent pool and structured succession planning
- ✓ Internal Consultant & Coach to DHL Saudi and rest of Middle East at all level of the organisation
- Regional resource for whole Emerging Markets region
- ✓ Created a Performance Culture
- ✓ Initiated introduction of 360° Feedback
- ✓ Successfully designed Saudi Traineeship Programme for new Saudi National to achieve company Nationalisation targets

When prompted to this position I developed a strategic OD direction for the Business, expanding the team of operational and generalist trainers/consultants; responsible for all areas of development within DHL.

Training & Development Manager - DHL Saudi Arabia

July 2002 - Sept 2003

- ✓ Designed & Delivered Management Development Programs across the Organisation
- ✓ Researched & Evaluated DHL's Business, leading to the Design and Delivery of a new Company Induction Programme and a raft of other courses
- ✓ Identified departmental development needs and sourced & delivered tailor made in-house courses
- ✓ Introduced and Managed first Performance Appraisal System to DHL Saudi
- ✓ Designed Cultural Orientation Programmes for new Expatriates
- ✓ Initiated Coaching at Junior & Middle Management Level
- ✓ Consultant to Heads of Business Units

Upon joining DHL in July 2002 there was no Training and Development function. I initiated and delivered numerous projects/initiatives creating a well-respected department, enabling individuals and the business to exceed its objectives.

Training & Project Manager - Siemens Communications Ltd. UK & Europe

June 2001 - June 2002

- ✓ Implemented Change Management processes
- ✓ Implementation of e-learning platform
- ✓ Implemented Customer Service NVQ to 550 staff, increasing customer retention by 26% YOY
- ✓ Designed and implemented "Reward and Recognition" Strategy for the Customer Service Division

- ✓ Developed Competency Matrix for Call Centre

- ✓ Reduced attrition rate from 27% to 11.5% increased engagement & development of staff
- ✓ Commissioned new Training & Development centre
- ✓ Created & implemented Training & Development strategy

At that Air Infotech was the largest International outsourcing contact. I was responsible for all training and organisational development matters employing a large team of trainers and consultants. Using the services of the British Council and devising my own sales and cultural training to meet the needs of the client(s). I worked closely with the HR Department designing the recruitment processes. I also worked closely with Operations and deputised for the COO in her absence.

Regional Training Manager - Parity Training, UK

Jan 2000 - July 2000

- ✓ Responsible for all training needs analysis of major clients
- ✓ Project managed role-out of Microsoft migration for major investment bank from conception thru execution
- ✓ Developed and designed courses

I joined Parity as an end-user trainer for the Microsoft Office range. Quickly establishing myself, I becoming regional trainer within a few months; responsible for key customers (BA, ING Barings, Nationwide) and their training requirements. I also became accredited by the Institute of IT Training after successfully passing the Institute's Trainer Delivery Skills course.

Sabbatical May 1999 - Jan 2000

- ✓ Pursued hobby of Scuba Diving and achieved PADI Staff Instructor status
- ✓ Conducted various Instructor Development courses
- ✓ Evaluated career and changed direction

I made a conscious decision to leave retail; to pursue my hobby of scuba diving in which I am a Staff Instructor and to evaluate my career. During this time I travelled to Egypt, Bermuda, Bahamas and USA.

Department Manager - John Lewis Partnership, UK

Sept 1992 - May 1999

- ✓ Responsible for £1.2m budget
- \checkmark Initiated and executed two projects increasing sales by 17% and net profit by 8%
- ✓ Set up pilot scheme of NVQ level 2 in Retailing, which resulted in roll-out through entire Group
- ✓ Role model department to "groom" future managers

Joining the Graduate Training Scheme I was soon promoted to Section Manager, and after various secondments promoted to Department Manager. During this time I also became increasingly involved in Training; designing and ran many Management Development programs. I did not limit myself to just Management training; I also ran sales, customer service, time management, and performance management courses.
