Individual Client Interview

As a coach, it's important for me to understand how you view the world in general and yourself in particular. Each person has a unique way of thinking and a unique way of interacting with those around him or her.

Answer each of these questions as clearly and thoughtfully as possible, expressing the best of who you are. These are "pondering" questions designed to stimulate your thinking in a particular way that will make our work together even more productive. I suggest that you take several days to compose your responses to these questions. Thank you.

1.	What accomplishments do you think must occur during your lifetime so that you will consider your life to have been satisfying and well lived—a life of few or no regrets?
2.	If there were a secret passion in your life, what would it be?
3.	What do you consider your role to be in your local community? In your country? In the world?
4.	If you could devote your life to serving others—and still have the money and lifestyle you need—would you do it? How would it look?
